

Company Profile **2026**

Riyadh, Saudi Arabia

PROBUILD

The trusted link between great manufacturers and your project.

ProBuild is a regional trading and distribution company for premium building materials and sanitary solutions. We connect manufacturers with consultants, contractors and developers, making sure the right product arrives, with professional support at every stage of execution.

19

Partner brands from Europe and beyond

5

Product categories, one point of contact

SECTORS WE SERVE

Residential · Commercial · **Hospitality** · Healthcare

Premium quality. Practical pricing.

World-class brands shouldn't be out of reach. We help every project find the right product for its brief and its budget.

01

Direct from the manufacturer

We work hand in hand with our partner brands, so there are fewer links in the chain and pricing stays fair and competitive.

02

A fit for every budget

From dependable everyday ranges to signature design pieces, one portfolio covers every room, every sector and every price point.

03

We specify. We supply.

We help consultants and architects choose the right product, then support contractors through to delivery on site.

19 brands. 5 categories. 1 point of contact.
